Enzymes for Biocatalysis

Results Dissemination

15:00– 15:20	N. Koudogbo Consorzio Italbiotec	<i>Organization and Economy of the Project</i>
15:20– 15:40	R. Canevotti Flamma SpA	<i>Applications of proteases in Biocatalysis</i>
15:40– 16:00	S. Servi & D. Tessaro Politecnico di Milano	<i>Usefull assays for the evaluation of protease activity</i>
16:00– 16:20	L. Pollegioni & F. Volonté Università dell'Insubria	<i>Evolution of chymotrypsin-like enzymes</i>
15:20– 15:40	R. Donadio & M. Sosio Ktedogen srl	<i>Screening methods for proteases</i>
15:40-16:00	COFFEE BREAK	
16:00– 16:20	D. Ubiali Università di Pavia I.Serra Innovate Biotech srl	<i>New industrial enzymatic catalysts for the functionalization of nucleosides of pharma interest</i>
16:20– 16:40	S. Daly Gnosis SpA	<i>Optimizing and scaling-up microorganisms for the obtainement of relevant biocatalysts</i>
